E. Student's Declaration

- I hereby declare that the details that I have submitted above are correct, accurate and full.
- I undertake to report any change in my personal information to the Manpower Secretariat of the Faculty of Engineering.
- I consent that information from this form that I filled out will be submitted, if required, to institutes and/or to people who are likely to grant student bursaries.
- I legally empower the Tel Aviv University to verify the details that I submitted in this form, as it deems fit.

I am aware of the following rules with respect to eligibility to a subsistence bursary:

1. A subsistence bursary is granted to students who devote the majority of their time to research work. As a rule, a subsistence bursary will not be granted to anyone employed outside the University.
2. The time period for which a bursary is granted is for a maximum period of four years (the initial years of study for a PhD degree), and is dependent upon upholding academic obligations, as such will be verified at the end of each academic year.
3. No subsistence bursary will be awarded to students studying in other academic programs in addition to their studies at the Faculty of Engineering.
4. The bursary does not exempt the student from accompanying payments of tuition fees.
5. The submission of incorrect/inaccurate details, or not updating such during the course of the period to which the bursary pertains, constitutes a criminal offense which could serve as a pretext for cancelling the bursary and instituting disciplinary proceedings.
6. The document is solely for internal use by the Faculty Authorities who are in charge of granting bursaries to students.

Please attach: A copy of your I.D. card + Appendix, diplomas and an authorization of acceptance to studies.
