

Shalom, and welcome to Tel Aviv University!

Here at the Lowy International School, we're glad to greet you at your Tel Aviv University – Israel's best institution of higher education. Overlooking the blue waters of the Mediterranean Sea, TAU is home to over 30,000 students, including 2,000 from across the globe.

In light of Israel's security situation since October 7th, we would like to provide you with some essential information that will help you stay informed and feel secure while visiting here.

In the case of a siren, you have 90 seconds to get to a shelter (In Hebrew, it's cited Miklat) or to a secured space apartment (Mamak/Mamad) and wait a minimum of 10 minutes before leaving it. At every entrance to a shelter, you will find the following sign indicating that this is a secured space –

We have attached a picture below with all the secured space apartments on the Broshim campus; it's crucial to check and remember the closest one to your apartment in case of emergencies. For your information, every staircase in Broshim is also considered an alternative to a shelter so you can go there if it's closer.
